YOUR *Attitude* MAKES THE DIFFERENCE!!

March 2012

OUR LIFE IS A REFLECTION  
OF OUR ATTITUDE.

Success is the maximum  
utilization of the ability  
that you have.

Zig Ziglar

The best gift we can bestow  
on others is a good example.

Thomas Morell

*A man wrapped up in himself  
makes a very small bundle.*

Benjamin Franklin

"JESUS SAID... I AM THE BREAD  
OF LIFE..."

JOHN 6:35A

## Life

Is what happens to you while you are  
busy making other plans.

-John Lennon

Everyone wants to live a 'good life', and even though that means something different to everyone, many desires are common. Most people want to be healthy, happy, successful, secure, content, well-liked by others, connected to their families and even financially independent. So what gives and why are many frustrated with their results?

Maybe we're busy measuring ourselves against other's standards (The Jones's next door) or we haven't really clarified what success means to us. We were all created with individual gifts, strengths, and talents, and the focus of our pursuits in life should be to discover our unique differences and develop them. Walk the road God has created for you without arrogance or apology and pursue what's possible.

-Nate

"Don't bother just to  
be better than your  
contemporaries or  
predecessors. Try to  
be better than  
yourself."

William Faulkner

*Men are anxious to  
improve their circumstances,  
but are unwilling to  
improve themselves;  
they therefore  
remain bound.*  
James Allen

*"Yes, I will tell you how he died,  
but then I want to tell you how he lived".*
